

Using Loom: Three Methods

1. Download the desktop app – this gives you the most options!

Step 1 – login to loom.com and click “More,” then “Desktop App”

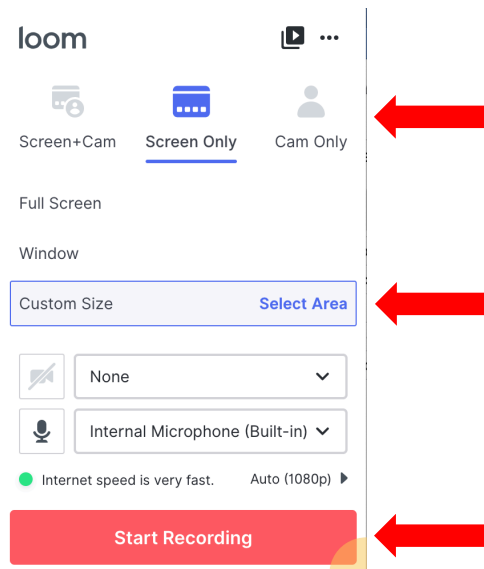

Step 2 – follow the download instructions

Step 3 – find Loom on your computer

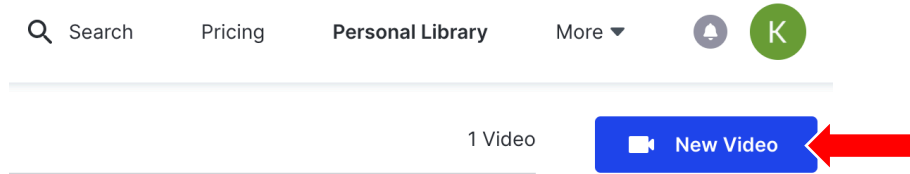

Step 4 – choose your recording options (note you can record full screen, window, or custom size) and Start Recording

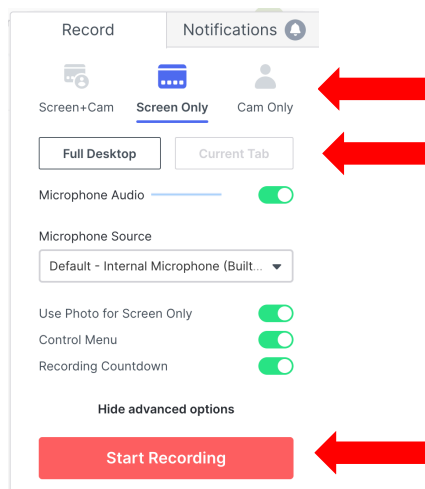

2. Loom.com - record from the site

Step 1 – log into loom.com

Step 2 – click “New Video” on the right side of the screen

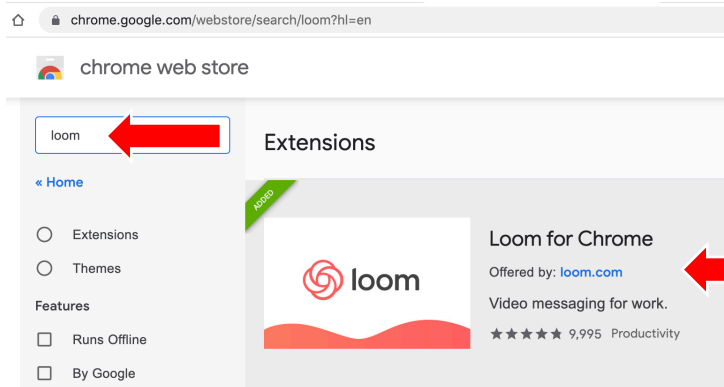

Step 3 – choose your recording options (note you can record Desktop or Current Tab) and Start Recording

3. Loom Chrome Extension – record from your browser

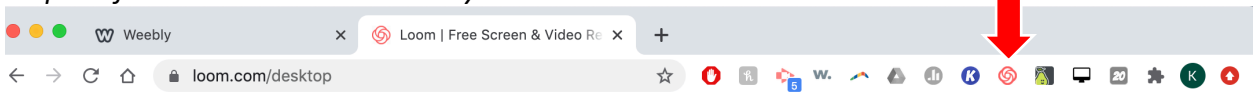

Step 1 – go to the Chrome Web Store

Step 2 – search for Loom

Step 3 – click Add to Chrome

Step 4 – find the Loom extension in your extensions bar and click on it

Step 5 – choose your recording options (note you can record Desktop or Current Tab) and Start Recording
